**Naval Architect:** Fulvio De Simoni

**Flag:** Spanish

**Hull Construction:** GRP

**Hull Configuration:** Planing hull

Air conditioning

---

Silver, sleek and fast, the Pershing 90, Danzas, is certainly striking. With its lean, aerodynamic profile, dramatic metallic-silver looks and thoroughbred performance, the 90-footer is a head-turner and not one to miss its target. The overall layout balances internal and external spaces whilst at the same time offering many private spaces, making the yacht feel larger. In addition to a stern dining area with sunbathing pod, there is a private bow dining area-something you don't see every day-with a sunbathing platform and sunbeds on the flying bridge. The lowering stern swim platform is spacious and comfortable. The interior layout offers a modern, but not minimalist style,

and optimizes the use of space, accommodating a large Master cabin at aft, a VIP in the fore and two identical twin cabins on either side. The Pershing 90 Danzas is the epitome of great design and exquisite craftsmanship combined with top performance.
