Range @ 30 kn	320nm
Accommodation	6 guests + 2 crew
Hull and deck material and finish	Advanced Composite Material; solid paint polished finishing
Classification	CE - Category B

1) DECK HARDWARE

Deck hardware in anodised aluminium
 N°6 CLEATS pop-up Versari Delmonte cod. 0263-AN
 n° 2 pop – up Versari Delmonte cod. 0268-AN
 N° 12 Fenders attachments Sea-Smart cod. SL20
 20mt shore power cord
 Led light strip in bullwark of 54m
 Fairleads Versari del Monte 0292-AN
 N°2 electric Winch Sanguinetti- Chiavari model 2000W at stern
 N°1 Transformer Opac Mare model 3382.50
 N°1 manually removable swimming ladder
 Fender in stern area of 18,50 mt
 N°1 Engine room hatch flash teak covered 800x800
 N° 1 Engine Room hatch laterale SX custom Made
 N°1 Hatch flash with Plexiglas for crew cabin per cabina Solimar 560x560
 N°3 hatches forward bow
 System to move seats and table FWD cockpit in 3 positions
 Tender Garage

2) SALOON & HELM STATION AREA

Flooring in teak planks with black caulking
 N°2 Sofà L shaped saloon entrance
 N°2 storage cupboards on both sides helm station in laquered wood
 N°1 central cupboard fwd of steering station to store electrical equipment
 N°1 tv led 40" Samsung in cupboard SX of entrance.
 N°2 speakers FUSION
 Air Con. Condaria with n°5 fan coil mod. AP8
 N° 2 Led strips of 12m on ceiling (custom)
 N° 6 Spot BCM above seating area
 N° 2 Tavoli in Carbon Look tables custom made
 Main entrance with sliding glasses
 N° 1 lateral door next to driving station with manual latch
 N° 2 refrigerators Frigonautica Mod. FR 60 RC 60 l.
 N°2 manual fire extinguishers 2 kg each Powder
 N°3 light switches wireless Nice
 N°5 Power outlets 220v Biticino serie Axolute

3) HELM STATION AREA (ELECTRONICS)

Flooring in teak planks with black caulking
 DOUBLE SEATING IN HELM STATION steel and fabric Standard Wally
 Autopilot model: Simrad AP 70 for Kamewa Hydrojets
 N° 2 Display GPS-Chart Plotter Raymarine multifunction GS 165 15.4"
 N° 1 GPS Antennas
 N° 1 Antenna Radar RD424D 24" 4Kw

N° 1 Antenna TV Sat con SKEW motorizzato 60 STV (Europa/Sud America/Medio Oriente)
 N° 1 Display i70 Raymarine
 N° 1 Depth-sounder
 N° 1 Boat speed
 N° 1 Display a75 multifunzione 7 " WiFi e Touch (no cartografia) Crew Area
 VHF: Raymarine 260 E
 VHF: for Crew Area
 N° 1 AIS650 receiver and transmitter data AIS Classe B
 N°1 windshield wiper for FWD screen from Speich
 Trim tab from Humphree mod. H1250 with control panel CP 501
 Num. 2 Alette per contropressione Humphree
 N° 2 Display LCD MAN engines controls
 N°1 Display 7" Rolls-Royce for main alarms waterjets
 N°1 Control lever from Rolls-Royce
 N°1 Joystick for docking from Rolls-Royce
 N°1 Steering Knob pfor steering control Rolls-Royce
 N°1 Emergency button Fire Alarm

4) AERIALS

Nav Lights Iopolight a LED Serie 20) alluminium anodized silver
 Custom support for antenna Radar Raymarine
 Antenna radar Raymarine HD 4 kw
 Antenna tv Raymarine serie 60
 Flag Pole in carbon fiber on radar support
 GPS Antenna Raymarine
 VHF Antenna

5) STAIRS AND PASSAGEWAY

N°1 entrance staircase
 N° 2 light switches wireless Nice
 Lights with dimmer Cantalupi in ceiling panels
 6) FORWARD CABIN
 N°1 Full size bed with frontal drawer with foam Materass pillows and covers
 N° 1 wardrobe with double door in white lacquer
 N° 2 cupboards on DX and SX hull sides on top
 N° 2 cupboards on DX and SX hull sides
 N° 2 mirrors on bulkheads
 N° 1 tv led 22' Samsung behind mirror
 Air Con Condaria with n°1 fan coil mod. AP8
 Audio System Fusion
 N°2 Electric blinds on hull porthole
 N°2 reading lights on bed post BCM modello: "tina touch"
 N°3 light switches wireless Nice
 N°2 power outlets 220v Biticino serie Axolute
 Lights with dimmer Cantalupi in ceiling panels
 N° 2 Lights by bed Gemma
 N°1 fire extinguisher powder 2 kg
 Bulkheads covered with white lacquered panels

6) Forwad cabin bathroom

N°1 separate shower with plexi door
 N°1 smal shower head with mixer Vola T1-16 and T9-16
 N°1 Basin unit with storage
 N°1 Cupboard with mirror on doors
 N°1 Wc Carbon Tecma
 N°1 manual blinds on hull porthole
 N°1 extractor fan
 N°1 vola Tap cod. HV3
 N°1 toilet paper holder Vola mod. T12BP
 N°1 Toilet brush Vola T33
 N°1 towel holder Vola T19
 N°2 hooks Vola T17
 Lights with dimmer Cantalupi in ceiling panels
 N°1 light switches wireless Nice

N°1 Power outlet 220v Biticino serie Axolute

7) GALLEY

Cupboards and furniture with shelves
 Working surface in CORIAN with sink Alpes Inox 40x40
 N°1 tap and mixer for sink Vola cod. KV1
 N°1 HOB Miele H2261B
 N°1 Fridge, freezer, Ice Maker Miele mod. KDN37132ID
 N°1 Dishwasher DIHR gs40
 N°1 cooking surface 4 points Miele cod. KM6115
 N°1 Hood Miele cod. DA 3360
 Lights with dimmer Cantalupi in ceiling panels
 N°1 light switches wireless Nice
 N41 Power outlet 220v Biticino serie Axolute
 N°1 fire extinguisher powder 2 kg

8) DAY HEAD

N°1 separate shower with plexi door
 N°1 smal shower head with mixer Vola T1-16 and T9-16
 N°1 Basin unit with storage
 N°1 Cupboard with mirror on doors
 N°1 Wc Carbon Tecma
 N°1 manual blinds on hull porthole
 N°1 extractor fan
 N°1 vola Tap cod. HV3
 N°1 toilet paper holder Vola mod. T12BP
 N°1 Toilet brush Vola T33
 N°1 towel holder Vola T19
 N°2 hooks Vola T17
 Lights with dimmer Cantalupi in ceiling panels
 N°1 light switches wireless Nice
 N°1 Power outlet 220v Biticino serie Axolute

9) CABINE DX E SX CON DIVANO E LETTO A RIBALTA

N° 1 wardrobe with door in white lacquer

 N° 2 Lights below cupboard led Cantalupi serie Lime 350

12) CREW CABIN WITH SEAPARATE BATHROOM

N°1 Entrance ladderinox and teak steps
 N°2 berths with materasses, pillows and covers
 N° 1 full height wardrobe
 N°1 Fan coil AP3
 N°2 reading lights on bed post BCM modello: "tina touch"
 N°2 light switches wireless Nice
 N°2 Power outlet 220v Biticino serie Axolute
 N°4 Led lights with dimmer Cantalupi Spot Roger
 N°1 fire extinguisher powder 2 kg
 Bulkheads covered with white lacquered panels
 N°1 wc Tecma mod Prestige
 N°1 wash basin cupboard in wood
 N°1 Top in wood painted with small stainless stell basin and accessories

13) BOW LOCKER

N°1 Chain locker
 N°1 Pivoting arm stainless steel hydraulically controlled
 N°2 Mooring cleats stainless steel 360x102
 N°1 Anchor delta 40kg galvanized steel
 N°100 mt chain in galvanized steel diameter 12mm
 N°1 windlass Lewmar gypsy 2000 watt with remote control by steering station and fwd locker
 N°2 winches anchor locker Lewmar C5 2000 watt
 N°2 Fairleads in Stainless steel for mooring lines

14) ENGINE ROOM

N°1 inspection panel for inspection large maintenance works
 N°1 hatch flash deck teak covered for SX lateral access
 Insulation ER all around

15) INSTALLATION/ SYSTEMS

FIRE SYSTEM FM200 in ER with manual and automatic start with engine, generators and ventilation extraction.
 N°1 Generator Onan 50 hz 220 v monofase da 22.5 kw MDKBT E-QD
 PTO connected to Gernerator22KW for:
 anchor windlass, fwd mooring winch and aft large hatch control for entrance door movements
 Batteries manual swithes
 N°2+2 starting batteries 120 ah serie parallelo (120 ah totali a 24 volt)
 N°2 batteries 120 ah for electronics serie parallelo (120 ah totali a 24 volt)
 N° 1 battery starting of 120 ah for generator of 12 volt
 N°10 batteries of 120 ah in serie parallelo for service (600ah totali a 24 volt) NEW 2017
 N° 2 battery charger 220v-24v da 100ah Victron
 N°1 dock power inlet 220 v
 N°1 electric inlet 220V
 Exhaust discharge of MIN and MAX water cooled in stainless steel
 Fuel pipes certified iso 7840
 Fuel fill caps recessed in port and starboard bulwarks (2) versari del monte alluminio anodizzato silver 0703- AN-F
 Stainless steel fuel tanks (2) with level gauge, capacity 4.800 litres
 Fresh water system in pvc with n° 1 water pump 24 volt della Gianneschi Ramacciotti with n°1 boiler 80 lt a 220 volt
 and water pump 220 volt Gianneschi Ramacciotti . N°1 sterilized plant ultraviolet
 N°1 reycled pump for hot water
 N°1 water maker 180 lt/h Idromar
 Structural water tanks 1100 lt

N°1 Fresh water fill cap recessed in starboard bulwark Silver Versari del Monte 0705-AN-W
Grey water system with non-smell pipes in PVC
capacity 450 litres, with wash-down system,
discharging by means a macerator directly to sea and dock discharge
intermediate tanks for grey water from Rule
Black water pipes in non-odor PVC pipes
Black water tank 150 lt with wash down system
discharging by means a macerator directly to sea and dock discharge
Bilge system in cupronikel pipes with electric intercept valves
N°1 central Bilge Pump Gianneschi ramacciotti
N°1 fire System Pump Gianneschi Ramacciotti
N°5 submerged Bilge pumps mod Rule 3700
N°1 Fire extinguisher of 2 kg
N°2 ER extractors Gianneschi Ramacciotti
N°1 Refrigeration sys. PCWM Condaria da 120000 btu

16) PROPULSION

N°2 engines MAN V12-1800 hp - GOLD WARRANTY FOR 5 YEARS
N°2 waterjets Rolls-Royce Kamewa 45A3 with independent hydraulic control
N°1 Bow Thruster Max Power 325 24 volt 20 hp hydraulic with VTR tunnel
N°2 Seakeeper M8000 Num. 1 in ER and 1 under fwd cabin bed
N°1 Generator Onan of 11 kw 50hz 220 volt monofase cod. QD MDKBM
N°1 Generatore Onan da 22 Kw
N°1 Transformer Opac Mare modello 3382.50 in SS with teak steps

17) ENTERTAINMENT - DOMOTIC

Onboard services will be shown and with a touch screen positioned on the driving console.
with tank level readings- service batteries monitoring 24 and 220 Volt.
3 Blu-ray for dinette and owner cabin and VIP cabin
3 Apple TV
3 SKY decoders
