A wide-angle photograph of a coastal scene. In the foreground, there are jagged, light-colored rocks. The middle ground features a sandy beach curving along a bay with clear, turquoise water. Several people are scattered across the beach. In the background, a long, low stone wall or breakwater extends into the sea. The sky is bright blue with scattered white clouds.

EXTERIOR

The image shows the interior of a yacht at night. The ceiling is white with several recessed lights. A large window or glass partition is visible, showing a view of a city at night with lights reflecting on the water. The interior is dimly lit, with the primary light source being the recessed ceiling lights and the city lights outside.
